## How To: Calculate Travel Costs

### **Planning = More Fun**

It may not *sound* fun, but a little pre-planning for your next trip can yield high returns in the FUN department. Check out this [Travel Expenses Calculator](#) for a great starting point when it comes to estimating trip costs.

### **Compare Costs**

If you traveled last year, take a look back at what you spent for that trip. How will your next trip be similar? How will it differ? These comparisons can give you an idea what to expect for the next adventure!

### **Stay-cation**

Saving up for something else? Is travel not a goal for 2019? Summer fun doesn't need to mean jetting off on a trip. Plan some fun where ever your budget lands you with these [100 Fun Cheap, or Free Summer Activities](#).

*Whatever your travel plans, saving and budgeting can help you reach your financial goals!*

### **Earth Day 2019**

April 22nd is Earth Day! A local group is working to make Cashton a greener place to live by collecting used t-shirts to be made into reusable bags.

There is a collection box in the lobby at Bank of Cashton where anyone can donate t-shirts for this initiative!

\*Annual Percentage Yield

Fees may reduce earnings. Annual Percentage Yield (APY) assumes principal and interest remain on deposit for the term of the certificate. All interest payments for the advertised APY will be made at the end of the term or quarterly, whichever comes first. A penalty of 91 days of interest on the amount withdrawn may be imposed for CD terms less than one year and for the 18 Month IRA CD. A penalty of 182 days of interest may be imposed for all other CD terms unless specified differently. APY is subject to change without prior notice. CDs are automatically renewed after 10 day grace period past maturity. Please contact the Bank of Cashton at (800) 205-7203 with any questions regarding the above referenced products.
